Description

The all-new **Mazarin 55** power catamaran has arrived — combining exhilarating performance, refined craftsmanship, and exceptional offshore capability in one striking luxury platform.

Powered by twin 400HP high-performance low-RPM, high-torque diesel engines, delivering a combined 800HP, the Mazarin 55 offers impressive acceleration, smooth cruising performance, and outstanding long-range efficiency. Designed for confident passagemaking and effortless handling, she delivers the perfect balance of power, control, and comfort at sea.

Built upon a legacy of European research and development and supported by a global reputation established through the delivery of more than 100 yachts, the Mazarin 55 embodies proven engineering excellence, impeccable mechanical reliability, and extended cruising capability — allowing owners to explore the open waters with complete confidence.

Meticulously engineered with premium materials and advanced structural design, her hull achieves remarkable stability while maintaining the luxurious comfort expected of a modern power catamaran. Expansive living spaces, refined finishes, and seamless indoor-outdoor integration create an atmosphere of elegance and relaxation for every journey.

Whether enjoying scenic coastal cruising, entertaining guests in secluded anchorages, or embarking on ambitious bluewater adventures, the Mazarin 55 rises effortlessly to every occasion. Designed for those who seek freedom without compromise, she transforms every voyage into an experience defined by performance, sophistication, and serenity.

We invite you to discover the Mazarin 55 through an exclusive premium sea trial experience. Navigate through wind and waves with confidence, and step into a new era of luxurious yachting lifestyle.

A wide range of layout configurations is available, including up to six cabins, allowing the Mazarin 55 to adapt effortlessly to private ownership or premium charter operations. Configurations include:

- Four Queen Cabin layout
- Three Cabin Full-Hull Master version
- Three Cabin Full-Beam version
- Galley-Down option
- Crew Cabin with Four Guest Cabins

Designed with versatility in mind, the Mazarin 55 is capable of accommodating a 14-foot tender and can be equipped with either an extended fixed aft platform or a premium hydraulic extending platform system by **Tenderlift France**.

Characterized by sleek contemporary exterior styling and luxurious interiors, the Mazarin 55 creates an atmosphere of refined sophistication throughout. Expansive living spaces, premium materials, and panoramic views enhance the onboard experience, while advanced navigation and onboard systems ensure smooth, safe, and confident cruising in a wide variety of sea conditions.

Whether cruising along scenic coastlines, entertaining at anchor, or embarking on long-range offshore adventures, the Mazarin 55 is designed to deliver exceptional comfort, reliability, and performance — redefining the modern luxury power catamaran experience.
