Description

The striking Azimut 62S is the perfect choice for multi-day cruises, thanks to its spacious on-board cabins and lounge areas and attention to comfort in each detail. The cabins boast a unique lighting system using transparent panels, making the internal spaces much brighter than those of traditional yachts. The Azimut 62S is an icon of made in Italy quality, with an elegant and contemporary design, unsurpassable materials, unrelenting attention to details, and airy spaces...this is the perfect craft for a short cruise or for a small, intimate boat party. Its unique use of transparent panels to keep the cabins light-filled is particularly functional and high tech, bathing every corner of the lower deck with natural light.

3 cabins, 3 baths + skipper cabin

Generator Kohler 17 kw, battery charger, Electric Hard Top, Tender lift, Garage for tender, Bow thruster., autopilot and more...

Descriptions provided by the construction site

Well in line with the motto that has accompanied the range since its launch Open your mind, open your eyes? the Azimut-Righini team has developed yet another open model guaranteed to astound all. Daylight and sunshine just seem to pour inside the 62S while sweeping views of the sea and new ideas for life onboard, always with the highest regard for guests? privacy and comfort, are the order of the day. At 18,38 metres long, the Azimut 62S has a beam of 4.9 metres, two splendid cabins, both with bathrooms, two dinettes, one above boards and the other below and two 1050 hp CAT C18 engines that can deliver a respectable top speed of 36 knots.
