## Description

The Mazarin 55 Sailing Catamaran is a high-specification luxury bluewater catamaran combining modern sailing performance, advanced technology, and premium liveaboard comfort. Offered in “as new” condition and ready to cruise, this rare 2023 owner-customized version was built to a specific order with carbon-strengthened bulkheads and Kevlar bow reinforcement for enhanced structural strength, durability, and offshore capability.

Designed for long-range cruising and luxury sailing, the yacht blends sleek contemporary styling with spacious interiors and advanced onboard systems. Numerous owner-requested upgrades enhance both sailing performance and onboard comfort, making this vessel ideal for private cruising or premium charter operations.

Key upgraded features include:

- Carbon-strengthened bulkheads
- Kevlar bow reinforcement
- Enhanced sail wardrobe
- Electric sail winches
- 3.5kWh solar charging system
- Additional 20kWh lithium battery bank
- Additional 6 × 200Ah / 24V house batteries
- Extended teak aft steps
- Upgraded flybridge configuration
- Hydraulic swim platform
- Advanced navigation systems

The yacht features spacious panoramic living areas, luxury accommodation layouts, and a refined flybridge helm station designed for comfortable long-distance cruising. Combining elegant design with practical offshore capability, the Mazarin 55 delivers a balance of performance, safety, comfort, and modern sustainable technology for discerning owners.
