Description

The 2011 Sunseeker 88 Yacht is a luxury motor yacht renowned for its elegant design, performance, and extensive amenities. Typically featuring a fiberglass hull and twin MTU engines capable of speeds up to 28 knots, it accommodates up to 9 guests across 4 cabins, plus crew quarters. High-end options—such as fin stabilizers, advanced A/V systems, and a spacious flybridge equipped with a jet ski and crane—make it a popular choice for private cruising.

Key specifications and features:

- Length: Approximately 88 feet (26.88 m).
- Hull: Fiberglass, semi-displacement, modified-V.
- Speed: Cruising ~24 knots, Max ~28 knots.
- Accommodations: 4 guest cabins (en-suite), 2 crew cabins.
- Spacious decks: Offers ample entertaining areas, a private foredeck, and an aft X-TEND™ seating system.
- Performance and stability: Features advanced stabilization (fin) and thrusters for a comfortable cruising experience.

The 2011 Sunseeker 88 is a highly sought-after yacht that blends Sunseeker’s distinctive modern style with powerful performance, luxurious interiors, and versatile outdoor spaces—ideal for discerning owners seeking a superyacht experience in a vessel under 30 meters.
