Piantoni 400 Open

OVERVIEW

The Piantoni 400 represents a pinnacle of excellence in yacht design, blending exceptional performance, cruising efficiency, and luxurious living spaces. Built on a cutting-edge twin-stepped hull and tailored for twin outboard rigs, this powerboat model promises an unparalleled on-water experience.

The exterior match by equally the interior appointments and features. The aft cockpit is designed with several furniture configurations to make the most of the spacious deck.

The interior layout is available in one and two cabins with one bathroom.

The internal spaces are large and divided to guarantee total cruising comfort for the passengers in the cabins and lounging area.

The steps lead down to an open lobby and galley area. The light finishes all contribute to the premium feel that truly delights those who step on board. Forward is a VIP cabin with en-suite, upholstered side units and a wardrobe unit and a large bed.

The Piantoni 400 stands as a testament to the fusion of exceptional performance, luxurious design, and functionality in yacht building. Whether for leisure or charter, this flagship model embodies the pinnacle of yachting excellence, promising an unforgettable experience on the water.
