Description

Cranchi Yachts choses a digital format for the presentation event for its latest model: the A46 Luxury Tender, a Yacht that for characteristics and attitude is in a class of its own and deserves a launch with an innovative character.

On the 14th of June 2021, clients, enthusiasts, dealers and journalists from all over the world had the opportunity to witness simultaneously the unveiling of the A46 Luxury Tender through a streamed event.

The A46 Luxury Tender is a elegant and multifunctional 14-metre walkaround. Its design and characteristics indeed make this yacht ideal as a mega tender for a seaside home or for a large yacht when cruising, or also as a dayboat or express cruiser.

Moving around the deck you will find just two steps, but infinite chances to be amazed. The **stern platform** which can be moved up and down and transversely, the **bulwarks which open** via a servo-electric mechanism, the **extraordinary t-top** which protects the area in the centre of the boat, dominated by a **splendid galley**. Moving on to the **pilot station** equipped with cutting-edge screens, and the sundeck with additional seating at the base of the deckhouse in **Portuguese deck** style. Each element of the deck is an invitation to enjoy cruising and outdoor living, all enhanced by functional solutions with an elegant, sporty style.
