Description

The stunning 76 Yacht gives you everything you want from a Sunseeker. From exceptional sea-keeping, the latest deep-V hull design to the class-leading space throughout the beautifully appointed decks. Not only does this model cut an impressive silhouette on the horizon, but an expanse of glass and sunlight also welcomes you onboard the 76 Yacht, and the main deck allows you to entertain with an almost 360-degree view of your surroundings. For 'al fresco' life, the exterior decks provide unprecedented levels of space and flexibility to suit owner needs. On the flybridge, choose a spa tub, jet-ski with crane or additional sunbeds to maximise this space. Complement the superyacht feel with any number of layouts. The cockpit can be adapted to include additional lounge seating or a cocktail bar. At the stern, enjoy the addition of a mini beach club, complete with a barbecue grill, fold-out seating and a rain shower, perfect for entertaining family and friends. Make the most of the extended bathing platform, which can accommodate a Williams 445 tender, SeaBobs, and more. The impressive layout of the 76 Yacht continues on the foredeck, where large twin sunbeds, fore/aft seating and optional refrigeration ensure space maximisation for any social occasion.

Additional Information

Sunseeker 76 Yacht (2025) – SVETLANA

Powered by twin MAN V12-1550 engines, this almost-new Sunseeker 76 Yacht (built November 2024, delivered June 2025) combines thrilling performance of up to 32 knots with the luxury, comfort, and stability expected from a true Mediterranean cruiser. Ordered with the highly sought-after Platinum Package (Mediterranean Edition), she features one of the most comprehensive specifications in her class.

Key Upgrades & Options

Platinum Package (Mediterranean Edition) including:

- Sleipner Vector Fin stabilizers
- Twin 27 kW generators
- Hydraulic bow and stern thrusters
- Full Simrad navigation suite
- Flybridge hardtop with retractable electric sunshade
- Beach Club Package: fold-down BBQ, fold-away platform seating, overhead rain shower
- Hydraulic bathing platform suitable for Williams tender or jet ski
- Tropical air conditioning (153,000 BTU)
- Fully installed watermaker (not just pre-installed)
- Full Sonos entertainment system with multi-zone exterior audio (flybridge, cockpit, foredeck)
- Teak decking on foredeck, cockpit, and flybridge
- 8 underwater lights

Layout

Accommodation for **8 guests in 4 en-suite cabins**, plus crew cabin for 2.

The full-beam master suite features a walk-in wardrobe, lounge area, and 55" TV, offering exceptional space and comfort for a yacht of this size.

Performance & Capacities

- **Top speed:** 32 knots
- **Cruising speed:** approx. 26 knots
- **Range:** approx. 330 nautical miles at cruising speed
- **Fuel capacity:** 6,000 L
- **Fresh water:** 1,400 L
- **Black water:** 400 L

SVETLANA represents a rare opportunity to acquire a highly specified, nearly new Sunseeker 76 Yacht, fully optimized for Mediterranean cruising and immediate enjoyment.
