Description

The Azimut 70 Sea-Jet always has more room for unexpected guests. Just expand the table with the ingenious add-border. Gracious curves and elegant furnishing create an inviting ambiance. Elegance meets functionality in the 70 Sea-Jet: the TV and stereo cabinet with a sliding panel converts to the open galley. The owner's stateroom is spacious and tasteful, with the added plus of a full-height walk-in closet. A queen-sized berth, vanity and sofa are included in the VIP guest stateroom.

The **Azimut 70 Sea-Jet** represents a perfect balance of **Italian design, performance, and onboard comfort**, offering the feel of a much larger yacht within a manageable 70-foot platform. Designed for both entertaining and extended cruising, she combines elegant styling with practical living spaces.

The spacious **main salon** is finished in rich high-gloss wood, complemented by large windows that provide abundant natural light. The layout flows seamlessly into a formal dining area, creating a welcoming environment for guests onboard.

Below deck, the yacht features a **four-cabin layout**, including a full-beam master suite with private access, a VIP cabin forward, and two twin guest cabins, all with en-suite facilities. Separate crew quarters ensure privacy and efficient service during longer stays.

Outdoor areas are equally impressive. The **aft deck** is ideal for al fresco dining, while the **flybridge** offers generous seating, sunbathing areas, and often a wet bar—perfect for relaxing or entertaining. Wide side decks allow safe and easy movement throughout the yacht.

Powered by **twin MTU diesel engines**, the Azimut 70 Sea-Jet delivers strong performance, cruising comfortably in the mid-20 knot range with a top speed approaching 30 knots, making her well suited for fast and comfortable Mediterranean cruising.

Additional features may include a **stern garage for a tender or jet ski**, well-equipped galley, and ample storage throughout.

Overall, the Azimut 70 Sea-Jet is a highly sought-after model, appreciated for its **spacious layout, sporty performance, and timeless Italian elegance**.
