Description

A magnificent performance craft, the 95 Yacht exemplifies the latest in our cutting-edge design and innovative build processes, showcasing the exciting new design direction that our next generation of larger yacht models will take.

Showing off a streamlined yet spacious elegance, the 95 Yacht combines a superyacht feel with many practical advantages, demonstrating a clever use of space that gives even greater flexibility and freedom onboard.

Fully equipped for luxury entertaining, this is yet another stunning illustration of striking lines and open plan layout, combining a superyacht feel with all the practical advantages of a yacht in this size category.

This 2018 Sunseeker 95 is an extraordinary flybridge yacht that exemplifies luxury and performance. With an impressive overall length of 28.06 meters, this yacht boasts a sleek fiberglass hull, ensuring a smooth ride and an exhilarating experience on the water.

Powered by twin MTU inboard engines, each delivering 1,980 horsepower, this yacht promises exceptional power and efficiency, with only 400 hours of use. The well-designed layout features seven cabins and seven bathrooms, offering ample space for guest relaxation and comfort.

The vessel is equipped with modern amenities that enhance the overall cruising experience. Perfect for those seeking a blend of elegance and performance, this yacht is an ideal choice for unforgettable journeys. Discover the allure of the open sea with this remarkable yacht, designed for both leisure and adventure.
