Description

Designed by Xavier Fay and the Catana Group, the BALI 4.3 is revolutionary and brings all the benefits presented of a BALI 4.5 Open Space. The BALI 4.3 was awarded with a boat of the year title by a prominent US magazine "Sail" and was recognized for the courage and the innovations of the relatively young BALI brand. Great internal and external living spaces, elegant design, panoramic views, fully retractable front window, large forward cockpit with a sundeck, extensive equipment and a unique level of self sufficiency are unique in its class. The safety and the performance are at a level that you would expect from a CATANA catamaran.
