Description

Introducing the stunning 2011 Horizon 110 Flybridge, a remarkable vessel that combines elegance with performance. Spanning an impressive overall length of 33.35 meters, this semi-displacement fibreglass yacht is designed for both comfort and speed.

Powered by twin Caterpillar C32 engines, each delivering 1900 hp, it effortlessly reaches cruising speeds of 19 knots and a maximum hull speed of 22 knots, ensuring an exhilarating experience on the water.

Accommodating up to eight guests, the yacht features eight well-appointed cabins and heads, providing spacious areas for relaxation and privacy. The thoughtful design and layout make it ideal for entertaining or enjoying peaceful retreats at sea. With its sophisticated engineering and luxurious amenities, the Horizon 110 Flybridge is a perfect choice for those seeking adventure and comfort.
