Description

With an innovative and sporty profile, ZIA CANAIA is an elegant 24-meter yacht built in 2001 by Riva. This refined Riva Opera 80 S perfectly blends performance with timeless Italian style and is available for charter.

Inside, polished cherry wood finishes, soft white carpets, and large windows fill the yacht with natural light, creating a bright and sophisticated atmosphere. The spacious salon features two white leather sofas — a generous lounge to starboard and a two-seater to port — complemented by two small tables for casual drinks or conversation. A modern entertainment system, including a satellite LCD TV and DVD player, makes it an ideal space to unwind with family and friends.

Forward of the salon is the elegant formal dining area to starboard, positioned opposite the fully equipped galley. Further ahead, the wheelhouse offers a comfortable seating area, perfect for enjoying panoramic views while underway.

On the lower deck, four beautifully appointed cabins accommodate up to nine guests in comfort and privacy, making ZIA CANAIA ideal for families or groups of friends.

Outdoors, the yacht offers generous deck spaces designed for relaxation and enjoyment at sea. Whether sunbathing, dining al fresco, or simply taking in the horizon, ZIA CANAIA delivers an exceptional charter experience where style meets pleasure.
