## Description

The Piantoni 400 Open represents a pinnacle of excellence in yacht design, blending exceptional performance, cruising efficiency, and generous living spaces. Built on a cutting-edge twin-stepped hull and engineered for twin inboard engines, this powerboat delivers an unparalleled on-water experience.

The yacht's clean exterior lines are perfectly matched by equally refined interior appointments and features. The aft cockpit offers multiple furniture configurations, making the most of the spacious deck and providing a versatile environment for both social interaction and relaxed cruising.

The interior spaces are generous and intelligently divided to ensure total comfort for guests, whether enjoying the cabins or relaxing in the lounge area.

A set of steps leads down to an open lobby and galley area, where light-toned finishes and carefully selected materials enhance the sense of space and contribute to a refined, premium atmosphere that delights from the moment one steps on board.

The Piantoni 400 Open stands as a testament to the fusion of exceptional performance, simple and elegant lines, and functional design in modern yacht building. Whether enjoyed for leisure cruising or used as a luxury tender, this model embodies the essence of yachting excellence and promises an unforgettable experience on the water.
