Description

The Saxdor 320 GTO has been our bestselling model for many years and is a highly appreciated global success story that is irresistible across the globe! It combines phenomenal design and concept with the absolute thrill of driving; the performance is simply fantastic. With two Mercury 225 HP engines, you can easily and smoothly reach speeds of over 45 knots.

Despite its excellent drivability, the boat offers much more. It features a great socializing space, a full cabin for napping or spending the night, and a well-equipped galley kitchen for preparing lovely, lazy breakfasts.

Saxdor 320 GTO hull is resin infused which will result lighter and stiffer molding. Those twin steps ensure it maintains a wonderfully flat running attitude when planing. The grip is prodigious.

Its performance hull is seaworthy, safe and easy to drive. The most notable feature is the versatility of the cockpit. Below decks it's clear that the 320 GTO should be comfortable in a role as weekender, not just a fast, handsome dayboat.

With an extended sunpad on the foredeck and a dinette that converts into a sun-bathing space the options of lounging around are plentiful. With the flip of a backrest the opposed seating can become forward-facing benches for guests to use, when the boat is flying along at a potential cruising speed of 40 knots.
