## Description

Wajer presents the Wajer 38 S. The most striking aspect of this new boat is the centrally located cockpit under a sturdy hardtop bimini. The principle of having a centre console has freed up a great deal of space on board for comfortable socialising and relaxing, and enhanced freedom of movement for all passengers.

Its unique functionalities mean that the Wajer 38 S adds a whole new dimension to sailing pleasure: storage spaces integrated below decks and in the hull provide space for everything required for sporty recreation. And there is room for all the toys: fishing gear and water skis, sub and surfboards, seabobs and diving gear for up to four people. Elegant storage solutions ensure that the equipment does not lie around taking up space when not in use – everything has its own dedicated place.
