## Description

The Piantoni 400 HT represents a pinnacle of excellence in yacht design, seamlessly blending exceptional performance, cruising efficiency, and luxurious living spaces. Built on a cutting-edge twin-stepped hull and engineered for triple outboard propulsion, this powerboat delivers an unparalleled on-water experience.

The yacht's striking exterior lines are perfectly complemented by equally refined interior appointments and features. The aft cockpit offers multiple furniture configurations, maximizing the generous deck space and creating a versatile setting for both social entertaining and relaxed cruising.

The interior spaces are spacious and intelligently divided to ensure total comfort for guests, whether relaxing in the cabins or enjoying the lounge area.

A short set of steps leads down to an open lobby and fully equipped galley, where light-toned finishes and carefully selected materials enhance the sense of space and contribute to a refined, premium atmosphere that delights from the moment one steps on board.

The Piantoni 400 HT stands as a testament to the fusion of exceptional performance, simple and elegant design, and functional innovation in modern yacht building. Whether enjoyed for private leisure or premium charter use, this model embodies the pinnacle of yachting excellence and promises an unforgettable experience on the water.
