Description

You would be hard pressed to find another sailing yacht in its class that offers more space, more comfort, more luxury if you want it, and is also this easy to handle. One special feature: if you would like to make 4 cabins out of the 3-cabin version, the huge forward cabin can be transformed into two smaller cabins in just a few steps. Clever and innovative – like everything from BAVARIA.

EXTERIOR

The BAVARIA CRUISER 46 offers nothing but pure sailing pleasure, shared with close friends or family. In addition to all the comforts on board, the CRUISER 46 offers yet another big plus: a healthy dose of performance, coupled with safety. This is ensured by the boat's double rudder blades. With these you can experience the pleasure of sailing in all conditions and on all courses. In the huge cockpit area you can sometimes also let the wind blow your hair back at higher speeds. The CRUISER 46 is stable in the water.

GREAT COMFORT

If you are not sure how many cabins you might actually need, you have the option to make use of BAVARIA's unique flexible bulkhead system. In just a few simple steps, wood panels and doors divide the main cabin into two spacious separate cabins. But regardless of whether you have three or four cabins, each cabin on a CRUISER 46 still has tremendously generous storage space in the lockers and under the bunks.

4 cabins (Convertible to 3)

3 baths

Genoa from 2021, main sail from 2023. Engine serviced in March 2025.

The boat was occasionally chartered.
